Jan TERELAK, Krystyna NAZAR  
Military Institute of Aviation Medicine, Warsaw, Poland

On behalf of the Editorial Office of PJAMP we wish to express our warmest thanks to Ph.D. Elżbieta Zakrzewska for her hard work as the Editorial Secretary. She performed this demanding and time consuming function for 15 years and her invaluable contributions to the journal. She was engaged in editing the whole journal and was writing some excellent articles to the section entitled Aviation Medicine in the Past and Chronicle and Editorial News. See as examples issues 4/2003 "Ten years of the Aviation Medicine Circle of the Polish Medical Association (1993-2003)" and issue 3/2005 "The 50th Anniversary of Graduation from the Medical Schools". We appreciate not only her devotion, experience and talent for editorial work but also her friendly attitude to us, authors, reviewers and readers. We wish her now some rest, good health and pleasure in all activities.

Thank you again for all you did for our unit.
